RAHPC ELECTION 2026

VOTER QUICK GUIDE

Protecting the Public, Empowering Health Professionals

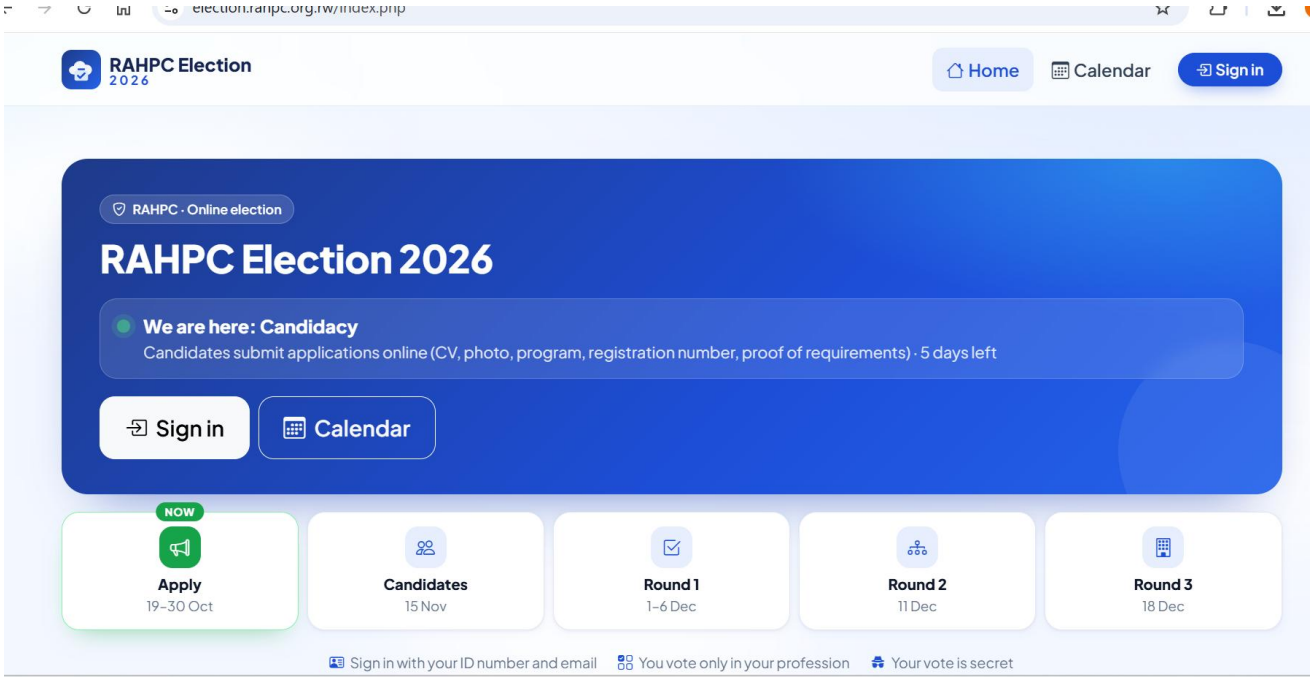

Figure 1. RAHPC Election 2026 homepage: sign in, open the calendar, and check the current election stage.

1. Sign in to the election system

1. Open the official election website: https://election.rahpc.org.rw/index.php
2. Click Sign in.
3. Enter your Rwandan national ID number (16 digits), passport number for eligible foreign professionals, or registration number or license number.
4. Enter the email address registered with RAHPC and click Continue.
5. Follow the verification instructions displayed on the screen. If your email address is incorrect, use “This is not my email” if that option is available, then follow the instructions.

Important: The uploaded sign-in screenshot shows Test mode, where the email-code step is switched off. In production, follow the live system’s actual verification instructions. Keep your verification code confidential.

2. View the election calendar

Click Calendar on the homepage to see the election stages and dates. The “We are here” indicator identifies the stage currently in progress.

Election activity	Published date
Candidacy applications	19–30 October 2026
Candidate list publication	15 November 2026

Round 1 voting	1–6 December 2026
Round 2 voting	11 December 2026
Round 3 voting	18 December 2026

Check the official calendar for any updates or changes.

3. Apply as a candidate

6. Sign in and open My candidacy during the announced application period.
7. Choose the position you want to contest.
8. Upload the required photograph, CV, Annex II supporting proofs, and any other required documents.
9. Write your candidate message. Add a YouTube link if applicable and supported.
10. Read and tick the declaration confirming your information is accurate.
11. Click Submit to send the application, or Save draft if you need to finish later.

You may edit or withdraw an application before the deadline if the system allows it. Saving a draft does not necessarily submit your application.

4. View candidates

After the official list is published, open Candidates and review the approved candidates. Start with your professional category, then read candidate profiles and campaign messages where available.

5. Cast your vote

12. Sign in when the relevant voting round is open.
13. Open the available round or ballot.
14. Review the positions and select your preferred candidate for each position, following the ballot instructions.
15. Review your selections carefully before confirming.
16. Than confirm

You may vote only in your eligible professional category. Follow the system's instructions if a round is not open or has closed.

6. Keep your vote secure

- Use your own identification details.
- Never share your password or verification code.
- Do not allow another person to vote on your behalf.
- Avoid sharing screenshots or information that could compromise ballot secrecy.
- Contact RAHPC through its official support channels if you have trouble signing in or voting.

The system is intended to support confidential voting. Follow the official instructions to ensure your participation is recorded correctly.
